Well babe- Its finally the end of the year and am finally out of school, am kind of glad but I know am gonna miss it and you. I am gonna kinda of hate going right in to the service but I hope in around a year, I'll come home to be with you and give you your graduation present. I hope you can really make it thre w school, for me, your parents, and especially for yourself. Babe, what ever you feel for me, I hope you will always feel be- cause I really want to be with you. your a enocent girl and I feel a whole lot for you. I hope all your dreams and goals in life all come true. You deserve a super lot. I hope me and you can really get it together and really know what we want in life. I hope you ain't in any predicaments like the one am in when I get out of school. Know what you want in life and always be a very happy person. And when am gone I hope you really can have during the summer and in your Senior year. I had the greatest times in my life with you & I'll

always treasure my Senior Prom, my
christafer, Graduation day and Grad
nite. I'll always remember the times
I shared with you and I love you for
all them times. I only wish I could stay
home at least till you get out of school and
share alot more good times. Am really going to
miss you. And Rachel, while am away, maybe
you will really understand life and really get
to thinking what you want out of life, I hope
you can come to me and make me understand
whats on your mind. I will always be ready to
listen to you. 3 years is along and dusty road.
But am game, and I wish we can really know
whats in stored for us the 3 years. Anyway
I hope the best. and may God always watch over
you. and Good Luck in the years to come.

I Love You,

FACULTY

ADMINISTRATION

PRINCIPAL'S MESSAGE

The Spirit of Banning has never been stronger than in the 1976-77 school year.

There are many reasons for this, not the least being our new school. We are indeed fortunate to have such fine facilities here in Wilmington.

The seniors of "77" will be the last class to remember the old bungalows where our educational program was housed prior to last year. They, more than anyone, know how fortunate we are.

Our academic and extra-curricular programs have been outstanding this year. There are many factors involved in a good educational program. We've already mentioned the facilities but of more importance is the faculty, community, parents--and MOST important of all--the student body.

You've been great this year! To all 10th and 11th graders let's have a repeat performance next year. To all the seniors who provided the leadership congratulations and all the best in the year to come.

Sincerely,

James W. Hanley

MR. FLYNN

Mr. Flynn in 1968

Mr. Flynn has been one of the outstanding teachers of Mathematics at Banning High School for the past 13 years.

Before he started teaching at Banning, Mr. Flynn was Lt. Colonel in the Air Force where his last assignment was working on the Mercury Space Program.

His dedicated teaching at Banning over the years has inspired many of our students to pursue careers related to mathematics at such institutions as U.C.L.A., U.S.C., Harvey Mudd, etc.

His enthusiasm for teaching was not confined to the classroom as he was an avid follower of our sports program. Every spring he could be found with the baseball team aiding in the instructional routine of spring practice. Check the stands at the girls' or boys' basketball games and you would find Mr. Flynn.

Some of his fondest memories revolve around the friendships he made with students such as Vince Ferragamo, Steve Rivera, Wendill Kim, Danny Guerrero, and their exploits after leaving Banning.

Mr. Flynn has no special plans for retirement, just "taking it easy", doing some traveling, and maybe getting his Porche painted.

MR. PARKER

Mr. Parker has been teaching at Banning since 1970. He had previously taught here for one semester in 1956.

Before teaching at Banning Mr. Parker has had a colorful career both in and out of education.

His education includes attending the U.S. Naval Academy, USC, where he received his Degree, plus studies at Madrid University, University of Berlin, Cal Western, and Law school in London.

Outside of teaching he was a naval officer during World War II, and has worked in Businesses such as Travel, Insurance, Ship Building, Construction, and designing homes.

Besides teaching at Banning Mr. Parker has taught at Wilson, Garfield, Westchester, Gardena, San Pedro, University, and Washington High School. He has taught English, Math, Business, Science, and Language. Teaching languages comes easy since he speaks French, Spanish, and German fluently.

During Retirement Mr. Parker hopes to continue his colorful life which includes being at the Paris Airport when Lindberg landed in 1927, and having personally met such famous people as Mussolini, Hitler, Roosevelt, and Truman.

Mr. Parker in 1949

P.E. Dept. Chairman Pete Zamperini with his staff.

MR. PETE ZAMPERINI BANNING COACH 1947-1977

Pete Zamperini graduated in 1932 from Torrance High School, where he participated in three varsity sports, baseball, basketball and track, and won ten varsity letters. Upon graduation Pete entered Compton J.C. where he excelled in track and cross-country. He was elected president of his fraternity AEX and also elected Associated Student Body President.

Pete entered U.S.C. on a track scholarship in February 1935 and became one of the nations top ten milers. Majoring in Education, Pete graduated in 1936, then took post-graduate work for his Secondary Credential and received a full teaching fellowship at U.S.C. in 1937-38.

In September 1938, Pete accepted a teaching position at his alma-mater, Torrance High, as basketball and track coach. After an impressive start his career was interrupted in 1942 by World War II, when he joined the Navy.

Honorably discharged in 1946, Pete returned to Torrance High and took over the Varsity Football team which won the Marine League Championship. In 1947, Torrance High seceded from the Los Angeles City School System to form their own district.

Choosing to remain with the Los Angeles system, Pete accepted the opening at Banning High created when Coach Gene Patz gave up coaching to take over the Attendance Office.

In his thirty-years at Banning High, Pete has really made his mark in the record books. He has installed in the minds of his running students at Banning a life-long motto: "You may not help the team, but the team will sure help you."

Mr. Zamperini in 1948

MRS. ROBERTS

When I said "hello" to Banning seven years ago, I began one of the most interesting and multi-faceted of my teaching experiences. I loved it from the first moment I set foot in the old vine-covered building.

Our theme during those early years was "Love Comes in All Colors" as we presented our multi-cultural show throughout the country. And indeed it did here at Banning for there were at least twenty-five different cultures here and all working in harmony.

I have always thought Banning represented what the world should be like--- but times and conditions change and now it's time for me to leave.

Forty years ago a teacher told me to "hitch my wagon to a star" and go ever onward. My wagon is still hitched to that star and now I'm going on to do different things and new experiences as I say "good-bye" to Banning High School.

FALL SENIOR CABINET

I am very grateful to say that I have really enjoyed serving as Senior Class President for the fall semester. The three years I have spent at Banning I have experienced good leadership of how important it is to communicate with one another, and this will be very influential in my later life.

But most of all I am very proud to have represented the best administrators, senior class and senior council.

SPRING SENIOR CABINET

I am happy to have served as the Spring Semester Class President. I feel that I have represented the finest class ever.

Our motto is "Those who follow wisely will finally lead." For the past three years at Banning we have experienced fine leadership and fellowship ability. We, the Ephesians, shall face our future with fine character.

I wish success and happiness to the Ephesians Class of 1977.

VARSITY FOOTBALL

1976... OUR SENSATIONAL YEAR...

In the month of June, things looked pretty bad for Banning's Football. There were only five lettermen returning for spring practice from a team that had just placed second in the LA City School Championship playoffs. As spring practice got under way we started to become excited about the new recruits, they were very intelligent and picked up what we taught with great enthusiasm.

During summer, we entered our football team in the Watts summer games and was defeated by a fine Cleveland team, never knowing that some day soon we would meet them again for the City Crown.

The rest of our season is history, this team composed of one-half Bees and a few clutch Varsity returners became the Best Varsity Football Team in the history of Banning High. They became the No. 1 ranked team in the state of California, and winners of the 1976 Los Angeles City Championship. There were 17 All-League players, 11 All-City players, and one All-American. Some polls even go as far as placing Banning High School No. 5 in the Nation.

HOMECOMING 1976

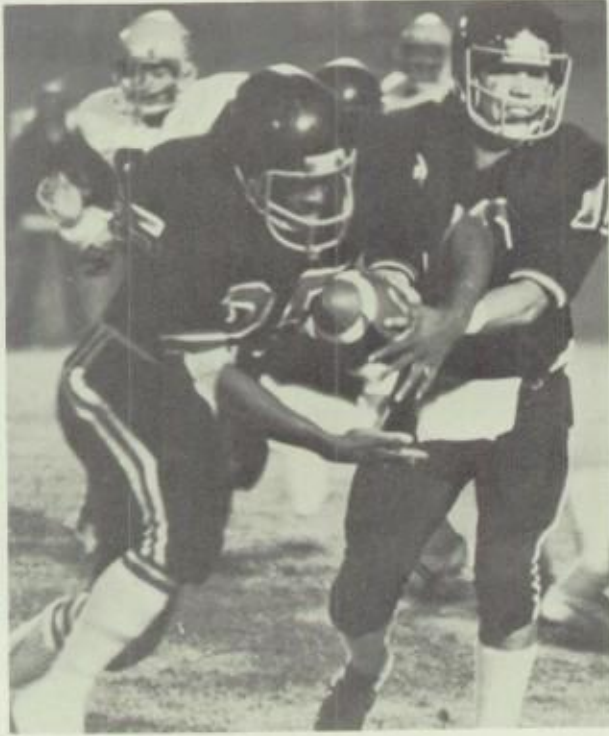

Banning 1976 Homecoming game was played Friday, November 12, at Long Beach Vet Stadium against San Pedro. Last years homecoming queen Telesia Fao crowned Shirley Rodgers to reign over this years festivities. The halftime included the crowning of the queen and her court. The evening ended in a great victory as the Banning Pilots defeated the Pedro Pirates by a score of 53-6.

The Homecoming Dance was held the next night in the Banning Multi-purpose Room. The entertaining band was "Power House." The Queen and her court were introduced again and were awarded gifts. Its always great to come home to Banning, but some how we really never leave it because it's in our hearts to stay.

BEE FOOTBALL

Banning "B" Football has always been endowed with Tradition, Spirit, Enthusiasm and "winning ways". This years Pilot Bees were no exceptions. Although unsuccessful in an attempt to become Marine League Champions for the third year in a row, the Bees finished second. Only a season ending defeat to Arch-Rival "Main Street" kept the Pilot Bees from the championship. All the members of the team contributed to this years success. Seven players were chosen to the All League team. They are Randy Wolf, Joe Ponce, Dan Dutch, Tony Bedolla, Henry Wilson, Greg Allen and Rey Villareal. Coach Carido and his staff, Coach Kilgore, Coach Lozano and Coach Aguilar have vowed to bring back the "B" Football Championship to Banning High in 1977.

J.V. FOOTBALL MARINE LEAGUE CHAMPIONS

Banning's Junior Varsity team won the Marine League Championship for 1976. They went through league play without any losses and defeated Carson, 25 to 12, on Carson's field. They had to overcome many obstacles, which was done without complaining. I would like to thank Coach Art Orbillo, David Ybarra, Art Montoya, and Simi Simi for an outstanding job.

VARSITY BASKETBALL **MARINE LEAGUE CHAMPIONS**

The Varsity continued its strong basketball tradition by winning the Marine League with an 8-2 record. They went on to reach the semi-finals of the City Tournament only to be upset by Poly in the last 12 seconds.

Banning was rated in the top 10 City Teams all season. Each victory they recorded was a team victory as they went on to a 19-7 record.

Returning next year are starters Divinoni Hamlin an All Tournament selection in the Inglewood Tournament and a 2nd Team All Marine League selection, Lance Petteway-All Tournament in the Banning Invitational and 3rd Team All Marine League Fred Williams-1st Team All Marine League and all South Bay. Other returnees who contributed a great deal to the team include Stanley Taylor, Mike Pino, and Doug Calvin.

GIRLS' BASKETBALL

This year the Varsity team finished in their league with a 9-1 record, and were Marine League Champions. The team went to the city playoffs and lost their first game to the Washington Generals, 47-45, in the last two seconds of the game.

The JV season had its ups and downs, but the team showed a great deal of improvement by the end of the league. With a 6-4 record, the JV's were third in their league.

Graduating seniors that will surely be missed by next year's teams are: Sharon Albright, Frankie Butler, Lorna Gentry, Molly Gonzalez, Diane Lopez, Leticia Rodriguez, Renae Stovall, and Josei Tuli.

CROSS-COUNTRY

1976 was a very successful year for Cross-Country. The Varsity won the Marine League Championship for the first time since 1973. The Junior Varsity took third place in league competition but did qualify for the Los Angeles City Prelims. The 10th Grade, for the third year in a row, won the Marine League Championships and then continued on to become the second Banning Cross-Country team ever to win a Los Angeles City Championship.

The Varsity was led by Captain George Gomez who took fourth in the Marine League Finals and also qualified for the Los Angeles City Finals at Pierce Junior College. The 10th Grade team was led by Isacc Fabunan who was Marine League Champion and second in the City.

SOCCER

Soccer finished in Third Place in the Marine League, with an over all record of 8 wins, 5 losses, and 4 ties. With this record the Pilots earned a berth in the City Playoffs.

With eight of the Varsity starters Sophomores, and the Junior Varsity winning the Marine League Championship (UNDEFEATED), the Pilots look good for next year.

PRESIDENT'S MESSAGE

Being Student Body President of Banning High has been a very enjoyable experience. I've met many, many nice people at Banning, students at other high schools, administrators all over the city, and members on the L.A.U.S.D. Board. I've also met Mr. Johnston, Superintendent of schools.

I had many students here at Banning come up and ask for my assistance with school problems, and I've endeavored to help them. That's what I wanted to ACCOMPLISH! I love helping people and I would encourage every student to express their opinions and try to keep up with activities in the Leadership Class.

PRESIDENT'S MESSAGE

My term as Student Body President will soon end, but it has been a memorable one as well as enjoyable. The experiences I've encountered will always be with me. My knowledge has been broadened by meeting and working with students from other schools. I took the challenge of A.S.B. President because by working towards better communication and understanding between students and teachers, I felt I would be an asset to my school. I have been most impressed as President by the enthusiasm and unity in our school, for "where there is unity there is strength". This is one of the reasons Banning out shines most other schools. It has been an honor as well as a pleasure to serve as President.

BOYS' STATE DELEGATES JUNE 19-26, 1977

PAUL ADAMS

The experiences I shared at Boys' State were as invaluable as they were inspiring to me involving government. The 39th session of Boys' State was held at Cal State Sacramento and the top temperature sizzled to 98 degrees one day. I was a "citizen resident" of the city Sherman in Yorktown County. On the municipal level, I was Assistant Police Chief, Fire Chief, and a Deputy County Sheriff. On the State level, I was an unsuccessful candidate in the "Federalist" party primary for Lieutenant Governor. Out of 900 participants, I am still in correspondence with 11 former boys' staters, and I recently visited my roommate who is from Sacramento.

KRIS CARMONA

My experience at Boys' State was one I will never forget. When I arrived there, I felt like I was just one face in the crowd of 900 guys, but who was to know I was going to have eight days of my life that I would never forget. The first day was really just a registration day. I stayed in Sutter Hall at C.S.U. We set up city, county, and state government within the college campus. I ran for the office of City Councilman and was elected. We discussed views on the decriminalization of marijuana and prostitution, the alcohol age requirement, and many other issues. Boys' State gave me a better understanding on how our government works today. I would like to thank the American Legion for selecting me as a representative for Banning to Boys' State 1976.

GIRLS' STATE DELEGATE JUNE 28-JULY 5, 1977

JULIE SHU CHENG

Girls' State will forever be in my fondest memories. There at C.S.U. with 500 other girls from all over California (all top-notch in their school), we learned about our State Government by doing. On each level-city, county, state- every girl had the opportunity to run for an office. We had rival political parties and gave campaign speeches. I ran for the highest office, Governor, and won! This was a great surprise for me because I had never really considered running for the office until a couple days after Girls' State started. I not only became more confident as a speaker and a leader but also as a person. During just that one week, I made many friends, learned to cope with pressures and nervousness, and to work with other people. I am looking forward to this summer as I will have the privilege to return to Girls' State and be a Junior Counselor. I am very grateful to the American Legion Auxilary for providing me this precious and beautiful experience at Girls' State.

Rachel, a super nice person I've known for a long time. I hope you have a great summer. Just think one more year in touch. Barbura

To Rachel, a very, very nice
gal I've known for such a long
time. I'm sorry for everything
I did to you. I was just crazy
maybe some day will see each other
again, cause I'll be leaving
far far away. but that
won't be till next
year. or maybe
this year I
don't know yet
but I got to
go. but I'll
be back some
day. Take care
of yourself and
I'll see ya
around.

P.S.
Take
Care

A very sweet and cool friend
it was fun having you in my
1st period Best of luck in 12th
